Treść raportu:

Carlson Investments SE (the "Issuer") announces that on November 13, 2024, in connection with its work on the financial statements for the third quarter of 2024, asset impairment tests were conducted. Based on the analyses conducted, on November 13, 2024, the Issuer decided to establish an impairment charge related to its investment in a subsidiary, i.e. Paymiq Financial Group Ltd ("Paymiq Financial"). The impairment charge relates to reducing the fair value measurement of the shares held in Paymiq Financial as of September 30, 2024 from PLN 90 million to PLN 45 million. The Issuer's Management Board decided to create the aforementioned write-down due to the results achieved, which deviate from the assumptions of this company's business plan. Making the valuation allowance is an operation of an accounting nature and does not affect the current operations of the Issuer and its capital group. The amounts presented above are estimates and may change and differ from the final values, which will be published in the interim report for the third quarter of 2024.
